

## Who I am in Jesus Christ:

This is the the Word of God  
I am what it says I am,  
I have what it says I have,  
I will become, what it says I will become,  
I'll do what it instructs me to do,  
My mind is alert,  
My spirit is receptive,  
I receive God's inerrant,  
Incorruptible Word,  
Into my mind and spirit today.

I have a relationship with my Father God,  
I have made Jesus my Lord,  
The Holy Spirit is my teacher,  
My counselor and my comforter.  
I am *born-again*, healed in my soul and body,  
delivered from all bondage's.  
I am learning how to prosper,  
I am learning to live in obedience to my Father's will.  
I live in *abundant life*.

**Thank You, LORD JESUS, I will never be the same.**

Amen!!
